

EuroKids or Other Pre-Schools?

Take Buddy's help to decide.

Learning

EuroKids **Others**

- Is the curriculum developmentally appropriate, well researched and structured for all age groups?
- Are interactive methods like Motion Based Learning, Phonics, Puppet show and Storytelling used to enhance reinforcement and learning in children?
- Does the curriculum focus on enhancing life skills & developing emotionally healthy children?
- Is the curriculum in sync with the developmental milestones of the children that provides an opportunity to explore, discover & enjoy?
- Does the curriculum provide "hands-on" learning, direct experiences, as well as stimulating, interesting and engaging activities?
- Does the curriculum promote language development by motivating the children to verbalize his/her thoughts and feelings?
- Does the curriculum enhance creativity and imaginative skills in the child?

Assessment / Monitoring Developments

EuroKids **Others**

- Is there a structured pattern to assess the child's development?
- Is there focus on skill development rather than concept development?
- Is the child closely monitored and worked upon for developmental delay?
- Is the assessment system directly linked to the curriculum learning goals?
- Is there an ongoing assessment system with developmental and learning goals and measurable objectives?
- Does the Pre-School have a procedure for reviewing children's learning on a regular basis?
- Does the staff document children's behavior during activities?

Ambience

- Do the fun rooms in school have children's work on display?
- Is the environment enriching and stimulating?
- Is the ambience lively, safe and child-friendly?

Partnership

- Are the parents involved in the teaching learning process along with the child?
- Are there regular parenting workshops and parent teacher meets?
- Is the teacher available to you on call or email, when you need to speak to her?

Nurturing

- Are the child's needs met with personal attention and child-teacher ratios?
- Is the staff responsive, well trained and caring?
- Does the staff receive continuous training to upgrade their skills?
- Are the teachers sensitive to the needs of the children?

Health and Safety

- Is a doctor on call available?
- Is filtered water served to children?
- Are the caregivers trained in first aid?
- Are the children trained to maintain personal hygiene?

Communication

- Is there a weekend letter that provides parents with weekly updates on class activities?
- Is there a system of SMS and Email alert for the parents?
- Is additional parental information given through educative newsletters?
- Are there monthly updates through theme end letters?
- Is there an in-house magazine for better parenting?
