DayCare

**THE EXPERTS
IN CHILD CARE
BRINGS TO YOU
EXPERT DAYCARE.**

The experts in child care bring you expert DayCare.

At EuroKids, we specialize in early childhood education. In the past 16 years, we've raised the bar for Pre-School education in the country. Starting in 2001 with just 2 Pre-Schools, we've grown into a strong network of over 900 Pre-Schools spread across 350 towns and cities, having nurtured more than 300,000 children till date.

EuroSchool, the primary and secondary school arm of EuroKids, currently operates 10 schools offering CBSE, ICSE & IGCSE Boards with strength of over 13000 students. It offers the unique philosophy of 'Balanced Schooling'.

EuroKids also extends its arm by offering offers the DayCare solutions for children in the age group of 6 months to 6 years, with safety and fun as the core focus.

Welcome to EuroKids Pre-School & DayCare.

As experts in child care, we at EuroKids understand that providing right and secure environment for the child can be quite stressful for working parents.

That's why here's **EuroKids DayCare**. An exclusive daycare facility in at your workplace vicinity, to help you focus on work while we take care of your toddler. At EuroKids, we plan, build and run a best-in-class child-care facility through various day-care models which makes parenting easy & comfortable for you.

DayCare with a Difference

Child-friendly Ambience:

Located in peaceful, up-market locations, our DayCare provide an environment wherein children are safe, nurtured, loved and encouraged to learn. The colourful and child-friendly ambience adds to children's excitement and ensures that they are safe.

Unique Delivery Method

Our teaching learning methodology at the DayCare has been devised to suit the age group. Over the years, we have perfected the art of first drawing the child's attention and then keeping his/her mind engaged and making the learning process interesting and absorbing.

Hygiene & Safety

For us, hygiene and the safety of children matters a lot. This has translated into us taking complete care in maintaining hygiene in our Pre-School & DayCare. We've introduced and implemented safety & hygiene measures in all our Pre-Schools and have also equipped them with CCTV cameras.

Trained & Experienced (All Female) Staff:

We pay a lot of attention to the quality of staff employed at EuroKids. Every teacher at EuroKids is qualified and trained to impart education in a friendly and innovative manner. Along with this, we also implement the following measures:

- We employ well-trained staff and provide them regular trainings
- We conduct background checks for all employed staff
- We ensure medical fitness of the staff

Learning with Engagement

The age-appropriate activities at EuroKids DayCare focus on building Executive Function Skills, social skills and team work among children, and help them learn new things. These include:

- Treasure hunt
- Let's go fishing
- Painting outdoors
- Clap and act

Along with this, the DayCare also does the following:

- The activities designed to ensure physical well-being of the children
- We keep the children happy & engaged through an audio-visual and appropriate toys
- The collection of children's books at the library enhances children's reading abilities

Meals on Demand

We take care of your child's nutrition by offering them a safe and nutritious diet plan at our DayCare.
